

MEDICAL DEVICES SUMMIT 2012

THE BOSTON PARK PLAZA HOTEL & TOWERS

50 Park Plaza
Boston, MA 02116

“Opal Events' 3rd Annual Medical Devices Summit strives to bring together industry and regulatory professionals from across the country to address key issues in compliance, quality and innovation. Medical device manufacturers are tasked with staying on top of regulatory updates, competitive designs and new opportunities- and can find them all in one place at this celebrated event!”

**“Exploring Emerging Markets-
Spotlight on China”**

China possesses the world's fastest growing and changing healthcare industry. China has only been engaged in Western business practices with depth and breadth for fifteen years. Understanding the differences in the institutions, consumer/provider drivers, channels to market, economics, and insurance are all fundamental requirements for developing and executing successful business plans for China.
